FILE FORMATS

Adobe CC or earlier. (InDesign, Illustrator, PDF)

If supplying PDFs, all fonts must be converted to outlines and all bleed requirements must be as per our specifications. Please ensure that any trim marks appear outside the bleed area. In some cases PDFs will not be usable and we may request original artwork files.

SUPPLYING FILES

We accept files on CD, DVD or via a direct download link. Files under 10MB can be sent via email.

Please contact your account manager if you would like to upload to our FTP site.

FILE SETUP

- Supply all artwork in CMYK format.
- Convert all fonts to outlines, even when supplying PDFs.
- All overprint/trapping options should be turned OFF.
- Document to be scaled at 1/3 of the final trim size.
- Ensure all text, logos and important elements appear within the visual area.
- All scanned and raster images should be 300dpi if placed in your document at 100%.
- Provide 3.3mm in your scaled document (10mm at final size).
